January 2010

Dear Shanahan Families:

Happy New Year! The PTO board would like to extend our best wishes to all of your families for a healthy and happy 2010. Hard to believe the first month of the year is already here and SMSPTO is gearing up for the balance of the school year and we have plenty going on! While you peruse the newsletter, be sure to mark your calendars so you and your student can plan to participate in the many activities supported by PTO.

One of the most important activities we face over the next few months will be recruiting volunteers to fill our board and committee positions for the 2010 -11 school year. There are many opportunities to spend as much or as little time as you are able -- so please consider donating your time and talents to our organization, and ultimately, our students and staff. To determine what position might be a good match, for you, do some quick research:

- Check out our website to find out what kinds of "Jobs" there are (committee, board etc..)
- Attend an upcoming PTO meeting to look into the management of our organization.
- Volunteer on a committee that you might be interested in being the future chair for.
- Contact the current board or committee chair and discuss the position with them.

As always, feel free to contact me if you have any questions!

Sincerely,

Chris Sutton
SMSPTO President
csutton@bpcol.com
